

# There is A Place Called Golgotha

## Matthew 27:26-36

*Some places are extra special... yet it requires slowing down and being thoughtful and faithful to appreciate them.*

“On a hill far away...” is more than a commemorative Christian hymn.

“in the cross of Christ I glory,  
Standing dumb before His  
story. I see the nails and  
wonder at the grace, Dare I lift  
my eyes to look on such a  
face?” (John Bowring)

**Calvary was the place  
for condemned criminals.**

**Calvary was a place of silent suffering.**

**Calvary IS the altar of sacrifice for sinners.**

*“So I’ll cherish the old rugged cross...”*
