

# **THAT ROCK WAS CHRIST**

## **1st Corinthians 10:1-13**

This provides one of the most graphic scenes of the Pre-Incarnate Christ in O.T. history!

Striking the rock, speaking to THE ROCK, what's the difference?

Two "Meribah" events, about 40 years apart.

**1– These people experienced redemption culminated with a “baptism” event. (v.1-2)**

**2– They have been sustained by “spiritual” provisions from above. (3)**

**3– The ROCK (petra) which accompanied them was CHRIST! (4)**

### **Crucial Questions:**

**1– Do we understand why God had all this written down?**

**2– Will we put Christ to the test by ignoring the specifics of His commands?**

**3– Will we regard God as holy?**

**4– Will we trust God's faithfulness?**

***On Christ the solid ROCK I stand,  
All other ground is sinking sand!***
