

Where Faith Is Passed On

“He commanded our fathers to teach their children, that the next generation might know...” (Ps. 78:5-6)

Genesis 18:18

It has been said, “A child’s view of God comes from what they have learned early on at home.”

- 1– Demonstrate the relevance of the faith consistently.**
- 2– Stand unshakeable in shaky times faithfully.**
- 3– Leave spiritual markers along the way intentionally.**

When our journey is nearly done and we look back across the years, it will be our legacy of faith that will speak most meaningfully of life’s accomplishments.
