

Gideon—Of Faith and Fleeces

THE CALL OF GOD

Judges 6:1-24

The cycle for Israel in the time of the Judges:

- 1) Sin and disobedience before God
- 2) Years of oppression by a surrounding enemy nation
- 3) An outcry to God for help
- 4) A deliverer/judge raised up to respond
- 5) Deliverance secured—usually for the lifetime of the judge.
- 6) Another generation repeats the cycle.

There is a matter to ponder here...

how many times must a cycle be repeated before someone learns how to break it?

The call of God for service arises from a need which must be met.

God knows the right person to do the job when He calls.

God will enable and empower the one He calls to do His work.

God's holiness is to be regarded as His supreme attribute.

A mighty man of valor is a man of faith whose God is almighty.
