

Gideon—Of Faith and Fleeces

IT HAS TO START AT HOME

Judges 6:25-32

Gospel ministry has to be consistent with one's homelife if God is going to bless it and use it.

This next phase of Gideon's ministry indicates how paganism had infiltrated Israel's homes and families.

1— The extent of paganism's place in Israel. (v.25)

2— The first test of dedication is conversion. (v.25-27)
—Tear it down.
— Build a proper one.
—Offer a burnt offering.

3— The reaction of the town and the defense of a dad. (v. 28-31)

A telling of the heart... sinners at heart will defend their sin before they will side with God.

4— The names the world calls may not be so complimentary. (v.32)

What a convicting account? Are our homes right with God? We won't be of real use to Him until they are!
