

Gideon—Of Faith and Fleeces

Judges 6:33-40

Christians today need to learn to walk by faith and not by fleeces.

Consider the characteristics of the judges and their times. Without doubt, the real hero in this era is God!

1– Fleecing God is putting the Lord to the test. (Dt. 6:16, Lk 4:12)

2– Putting God to the test is to question His character, will, and His Word.

(What made him think of the “dew”?)

3– Questioning God’s character, will, and Word exhibits a lack of faith.

4– Seeking signs is not reflective of faith, but contrary to it. (Mt. 12:39, 16:1-4)

Yet this man reaches a place of more substantial faith... (Jd. 7:15 & Heb. 11:32) So let’s walk by faith and not by fleeces.
