

The VIRTUE Which Lasts Forever 1st Cor.13:8-13

Throughout all eternity, love will never fail—it AGAPE will never end!
Now when the Bible says “Love never fails”, it is NOT referring to success as a world concept... This love initiates action to ensure that a God-honoring response to any situation is available and encouraged.

WHY does AGAPE last?

1– It reflects God’s own nature.

1st John 4:8

2– It outlasts all other virtues and gifts.

While all else may be of great value to the church for a limited, useful lifespan, and they may serve their purpose for a time. But then laid aside.

Paul’s illustration—3 supernatural gifts: knowledge, prophecy and tongues...

3– It prompts Christians on to maturity

V. 11-12

***“Love makes a difference, even when there are “departures”...
God specializes in resurrections!***
