

The Word—2

# **JESUS—HIS ARRIVAL AT BETHLEHEM**

## **John 1:14**

*The Word, The Voice of God IS The Truth... and truth is fully culminated in the person of Jesus Christ.*

*For God's plan to become a reality, the Word had to become a human being.*

**Factors in history were guided by the providence of God.**

**His arrival was heralded by shepherds, magi, and angels.**

**His mission was understood by relatively few.**

*It is this simple... it is this profound...  
**CHRIST THE SAVIOR IS BORN!***
