

# **I Believe in Preaching**

## **Acts 2:42, 1st Corinthians 1:18,21b**

**What are the things some people believe in?**

**Here at the start of this new year may be the perfect time to evaluate your core beliefs!**

**1– Look at the paths which man pursues... (v. 20-22)**

**2– Consider the answer which God provides... (v.18)**

**3– And embrace the method which God chooses... it is preaching! (v.21b)**

*Contemporary man is replacing preaching with lots of other methods, but we can't improve on God's design!*
