

THE CALVARY ROAD

Mark 15:16-26

The places where Jesus walked were just ordinary streets and roads, but His steps on them forever changed this world.

Via Dolorosa, Jerusalem

Each trip into the city this week meant intensifying drama.

Each day increased the tensions which were mounting with the leaders.

Each moment drew Him closer and closer to the sentence.

Each step on the Via Dolorosa spelled “Cursed”.

Still, not one of us can get to heaven without Him walking this road—the Calvary Road.
