

THE EMMAUS ROAD

Luke 24:1-27

Jesus' first resurrection sermon took place on this dirt road, just west of Jerusalem.

Lots has happened since daybreak. And now it's late afternoon... not knowing what else to do, some of Jesus' followers began to head home.

Let's face it—there's no coming back from a Roman execution on a cross.

Let's note it—the disciples weren't buying this “resurrection-report.”

Let's discuss this—two guys from out of town are trying to figure this out.

Let's report this—all those morning reports are true for sure!

Let's celebrate this—Our Lord is alive—after all!
