

# **Laws Requiring A Savior**

## **Romans 2:12-16**

**Romans is a letter of Christian Doctrine... yet it is especially challenging to grasp the significance of its great truths without an understanding of the lawS in it. Law (nomos) is used 67 times in this grand Bible book.**

***We are going to examine 4 of the unique ways law is used in Romans as they pertain to FOUR principal characters identified in the letter.***

**ADAM—the man who initiated the “law of sin and death.” (Romans 5:12)**

***MOSES—the prophet who delivered the law which brought a consciousness of sin. (Romans 3:19-20 & 10:5)***

***ALL of these ancient laws point to the need of a Savior. But first we must admit... we are all lawbreakers.***
