

What Are You Worth?

Mark 10:17-31

Always remember... your soul is your inner-most being. It is what most deeply defines your personhood and make you capable of being connected to God.

One needs to be careful in these soul matters—that there is not the conclusion that soul-worth is all tied up in your own self-image.

Beware of counterfeit worth measures:

*Achievements”—Look what I can do

*Attainments”—Look what I have accomplished

*Awareness—Look at how great I am

1– Every soul is loved by Jesus. *Unconditionally!* (21)

2– Entering the kingdom is really hard at this “self-worth” point. (23-26)

3– Impossibilities exist for man, not for God. (27)

You are the reason that God gave the ultimate sacrifice—His own Son!
