

FORSAKING THE ASSEMBLY

Hebrews 10:19-25

I am not embarrassed or ashamed to say that if you are a reasonably healthy -bodied believer, you need to be in the regular assembly of God's people.

Whether we know or admit it, this is a Biblical issue.

THEREFORE:

- Based on the once-for-all sacrifice of Jesus...
- Based on this new and living way into holy places...
- Based on having a great priest over the house of God...

There are expectations imposed on us!

There is a necessity of meeting together!

There are warning which must be heeded!

Isn't it time to recommit yourself to the assembling of ourselves together?
