

HIS FOLLOWERS

John 3:1-14

Those “verily-verily” words... what is their significance?

It is no surprise, given this matter of the Christian faith, that Jesus would address many of His truth sayings to matters of His followers.

There is no real following Jesus until the new birth occurs. (Jn. 3:1-5,7)

There are no exemptions from Satan’s assaults for any Christ-follower. (Jn.13:21, 38)

There is no telling the outcomes here in this world for the Christ-follower. (Jn.21:18)

(But the hereafter is a FOR-CERTAIN!)

Every person has the choice to live in the randomness of existence or to live in the “verily-verily” certainty with Jesus.
