

THE MOTIVATION FOR HOLINESS 2nd Corinthians 7:1

Holy-holiness in its various forms is found some 600 times in the Bible. Yet most of us need motivation at times, even for the necessary or important stuff.

It doesn't just happen... holiness requires an intense, earnest effort. (v.1)

1– The FEAR of God should prompt us!

2– The PROMISES of God should motivate us!

If we need something to give us reason to “perfect” holiness, God covers that base so that in this critical area of Christian living, we don't fail.
