

THE CHURCH JESUS FOUNDED

Matthew 16:18-19

Two Crucial Questions:

⇒ *Are we of a consumer mindset when it comes to the church?*

⇒ *Is it "our" church or "His" church?*

The Church Which Jesus
Founded... Matthew 16:13-19

While everyone certainly has the freedom of choice, I want to be an active member of the CHURCH

JESUS BUILT. That is a New Testament church. What kind of church did Jesus build?

It is a church built on the ROCK of His identity!

It is a church built on the principle of life!

It is a church built around heavenly keys for admission!

While man may think "a church is a church is a church" ... that is far from the truth. It matters the church I choose to connect to!
