

# EARMARKS OF JESUS' CHURCH

Acts 2:42-47; Ephesians 3:8-12

## **A BIBLICAL MARKER:**

⇒ *It is our great privilege to search the Scriptures to see what things characterize a "New Testament" church.*

Earmarks of Jesus' Church... Ephesians 3:8-13

The church in the New Testament

wore the name of God/Jesus.

The church in the New Testament practiced a spiritual agenda.

The church in the New Testament accepted a missional calling.

The church in the New Testament expected a glorious future.

While man may think "a church is a church is a church" ... that is far from the truth. It matters the church I choose to connect with !
