

THE FIRST NATIVITY GUESTS

Luke 2:8-20

Just think of the possible ones God could have called to the stable that night. *OK, so why shepherds ... to welcome the LORD?*

*1– They were open on the Godward side...
(v.15)*

*2– They did not delay in going...
(v.16)*

3– They did not keep the good news to themselves. (v.17)

Isn't it fitting that God called shepherds to welcome His Lamb into the world?
