

When **CHIEF SHEPHERD** **Appears** **1st Peter 5:1-4**

Let's get this down first—there is only ONE Chief Shepherd.

Shepherding is so needed, especially for a suffering church. (4:12-17)

The expectations are easy to outline and follow, so challenging to implement.

Antithesis #1— “Not by compulsion, but with willingness.

Antithesis #2—“Not for sordid gain, but with eagerness.”

Antithesis #3—“Not lording it over the flock, but being an example.”

“And when the Chief Shepherd appears, you will receive a crown of glory that fades not away...”
