

WHERE IS YOUR FAITH?

Luke 8:22-25

Of the 300+ questions Jesus asked, this is one of those “WHERE” questions.

It is important for us to know that this is a question put to those already disciples!

There was a mission before them.

There was a threat which alarmed them.

There was an issue troubling them

There was the question which astounded them.

Storms do come... being a Christian does not exempt us from them. But stay focused on the mission.
