

Series: The Way God Created Things to Be (pt. 3)

## God Created Mankind

Main Scripture: Genesis 1:26-31, 2:7, 2: 18-25

Who am I, where do I come from, and why?

God created mankind uniquely...

- **In His Image...** 1:26-27, 2:7
  
- **Male and Female...** 2:7, 2:18-25
  
- **To Be Fruitful, Fill the Earth, and Subdue It...** 1:26-31
  - Psalm 19:1-6

May we live up to the responsibility God has given us as the unique creation of God, made in His image, male and female, with value and purpose.

The living God created life,  
and we must live it!
