

# What You Believe About The Future

1st Peter 4:7-11.....2nd Peter 3:8-13  
I'm not asking... "What do you believe about the future?"  
I'm stating... "What you believe about the future..."

*When you know the final outcome, it changes how you play the game!*

The future impacts the present!

## 1– There is an end to all this... (v.7)

2– Still there is a present to realize...  
(v.7b-9)

3– There is a stewardship to consider...  
(v.10-11)
