

## Those Who Mourn

Matthew 5:1-12, v.4.....Isaiah 40:1-11

So, who does NOT want to be blessed by God?

In this mountain sermon introduction, Jesus completely upsets the traditional value systems of traditional religions and philosophies.

1 – We know when people are open on the God-ward side, heavenly comfort is available to offset the sadness from earthly loss.

2 – We learn when people are honest about personal sins ' affect on the heart of God, comfort can be found by the repentant.

3 – We see the lostness of people in the world, and at the same time can experience the comfort of gospel promises.

***The world's quest is for happiness.  
God's desire for the  
world is a blessed  
comfort.***
