

Is My Battle With Sin a Losing Cause?

Romans 7:7-25

Scripture Reading—1st John 1:6-10

It can be so discouraging. You read Bible verses about it. You talk to God about it. You want this thing out of your life. But sometimes it just seems like it's a losing battle. It can seem like you're always losing this battle.

Let's stop pretending this battle is not real!

1– Dealing with temptation and sin is an ongoing battle!

2– Wrestling with my own actions at times is so frustrating! (v.15)

3– Acknowledging that evil is so close at hand is scary! (v.21)

4– Winning the war against sin is totally possible through Jesus! (v.24-25)

***Romans 8:1-4 is the believer's victory song!
(Let's learn it, repeat it... often!)***
