

The Rock

My Ebenezer

1st Samuel 7:3-13 (12)

Even after occupying the Promised Land for about 350 years, the Philistines were still the nagging nemesis of Israel. Will this never end?

The boy "Ichabod" sums up the times pretty well—"The glory has departed."

1– The prophet called them to truly repent... (v.3)

2– Israel chose to get serious with God. (v.4)

3– The Lord thundered against their enemies. (v. 10-11)

4-Samuel set up the stone of remembrance... the Ebenezer Stone” (v.12)

“The Lord has helped us thus far”
