

The Washing of Regeneration

1st Corinthians 6:9-11

What is on the line? The gospel offers amazing benefits which cannot be found in any other place in the world.

One of the greatest truths of this passage is this matter of “inheriting the kingdom.”

1– An inheritance is for those who are written into a will. (See Rom.8:16-17)

2– The inheritance is for those who meet the conditions of the Will.

3– To become an heir in His kingdom, one has to let God deal with our sin-problem.

This is where the “washing of regeneration” comes in...

***Thank God we were washed...
made clean by the precious blood
of Jesus.***
