

# USING AND ABUSING FREEDOM

***Freedom is a most precious commodity!***

***Yet in the context of the Christian faith, freedom has very unique and spiritual overtones and responsibilities. Gospel freedom far transcends political freedoms or person choice freedoms.***

USING AND ABUSING  
FREEDOM  
GALATIANS 5:13  
1ST CORINTHIANS 8:9  
1ST PETER 2:16

***The DUAL emphasis of freedom in the Scriptures: Freedom FROM and freedom TO...***

***Use Freedom to Serve Others!***

***Exercise Freedom in an Unoffensive Way!***

***Avoid Using Freedom as a Cover-up for Evil!***

***Is it really freedom when there are limits to consider? You tell me... when is a train more free... when on the rails or when it jumps the tracks?***
