

A NEW COVENANT MEAL

Luke 22:14-20

Ancient covenants were entered by passing through the blood and kept by partaking of a covenant meal.

It's not just a matter of entering the new covenant, but also of keeping the covenant.

Heb.9:20 NIV- "which God has commanded you to keep."

We must OBSERVE the covenant meal!

We must MINISTER the covenant terms!

We must TREASURE the covenant relationship!

Are you closer to God now than when you began the journey?
