

Realizing God's Goodness

Romans 8:28

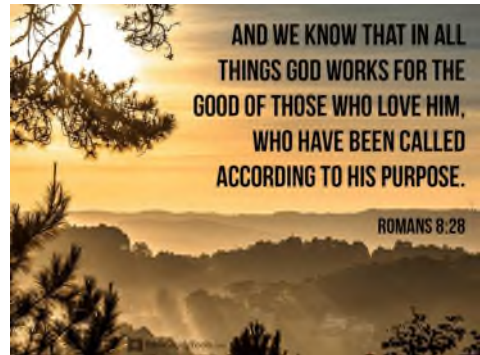

We have noted that we must counter the world's view of this goodness of God matter in light of the reality of evil, suffering and pain. The world says:

Still the promise stands positively and unmistakable clear...
"In all things..."

But we are so conditioned by the pressure of immediate gratification, it affects our expectations of God.

The issue—if Your answer is not "right now", I'm not so sure about Your goodness.

Philippians 2:13

1– There are times when His “good pleasure” is realized immediately!

2– There are times when His “good pleasure” is realized eventually!

3—There are times when His “good pleasure” is realized ultimately!

Still this 8-2-8 Promise is a YES... for GOOD!
