

Why Believe ALL the Bible?

2nd Timothy 3:16

Most church goers say they believe the Bible BUT many believe the Bible *selectively*. If we want to pass the test of faith, we must believe ALL the Bible!

1– Not believing ALL the Bible leaves inspiration, infallibility, inerrancy and relevance all up for grabs!

2– Not believing ALL the Bible creates doubts about the infinite power of God!

The parts which attract the most criticism are those which point to the supernatural power of God!

3– Not believing ALL the Bible casts a giant shadow over the credibility and integrity of Jesus!

4– Not believing ALL the Bible puts man in the position of being the judge of truth and OVER the Bible!

So the approach of faith before we even open the Bible says:

- ⇒ *It is the inspired Book of God!*
- ⇒ *It is TRUTH, not just contains the truth!*
- ⇒ *I will believe it, no what critics may say or what changes I must make!*

God invites you to TAKE HIM AT HIS WORD, but not blindly! You are invited to base conviction on EVIDENCE! I CHOOSE to pass the test of faith!
